Forum Details

Moderator

Peter Ross: PhD in History and Philosophy, University of New South Wales; active member of the Latin American solidarity movements throughout the 70s and 80s. He is currently doing research on comparative development between Argentina and Australia, and endogenous development in Venezuela. Dr. Ross has published a great number of research articles, especially on development strategies in Latin American countries.

Speakers

Allende and his Legacy

Rodrigo Acuña: Independent journalist and research assistant at Macquarie University. He writes for various newspapers on Latin American politics. Graduated with honours in Political and International Relations, and Latin American Studies from the University of NSW, and was awarded a Benchmark on Hispanic Studies.

Australian Solidarity with Chile

Ann Jones graduated from La Trobe University, currently doing a PhD on Union Participation on Solidarity Campaigns in Britain and Australia at the Australian National University. Ann has lived in Chile and Spain, and does research on solidarity with Chile.

The Chilean Experience and Venezuela's Bolivarian Revolution

Dr Tim Anderson: Political Economy at the University of Sydney. Tim is currently doing research on health systems, economic rights, and rural and autonomous development. He has published in various academic journals including: the Pan-American Health Journal, the Australian Journal of Human Rights, Latin American Perspectives, Current Issues in Criminal Justice, Critical Public Health, and many others.

The Seventies Movement and the Constituent Assembly

Nelson Vaudagnotto: Studies in Epistemology and Aesthetic Studies; BA in Philosophy from the Republic University of Montevideo.
